<p>Was Richard ever on any psychiatric medications? He is but she does not know which.</p> <p>Was Richard ever on any psychiatric medications? He has been sick for 3 years. He was taken the big pills. And some pills for depression. He was speaking devils sometimes and he was scaring me. He is a good kid when he is normal but it was hard for the last days.</p> <p>Was Richard ever on any psychiatric medications? Yes, the big pink pills. They said that he was breaking neighbors cars and walking all the neighborhood, pick off his shirt and he locked his grandmother on the bedroom, trying to manipulate and scare her. Im trying to get him into a program, i have to try more.</p>

<p>Is Richard taking the medications prescribed by the Doctor? Yes. He does not like, he just takes when he knows that he is sick. When he takes the medications he gets very well. Seroquel does not make him that well.</p> <p>Is there any medications that works for Richard/ The big pink pills works to relax him.</p> <p>Does Richard have any side effects to certain medications? Not that i know, it usually helps. But he has very high blood pressure. He smokes a lot of cigarettes when he is not good, when he is sick. When he gets well he stops smoking. I was up all night with him but he was scaring me, throwing things, talking to the dog. He use to lock me out of the house when he was sick to stick with his girlfriend.</p>
