<p>Is Alexis taking the medications prescribed by the Doctor? No, when she gets better she stops it</p> <p>Is there any medications that works for Alexis / The one that seemed that worked the most was Risperdal and Depakote (mainly with paranoia but not much with depression) but im not sure if she had long enough.</p> <p>Does Alexis have any side effects to certain medications? It seemed to me that the Depakote gave muscle spasms.</p>
