<p>Why did [Pt.Name] come to the hospital? According to her husband, Oscar Balcazer 773-891-6310, this is a characteristic of her and she doesn't have a history consistent with this type of behaviour. He reported that she has a long-standing history of seizures, but felt that was somewhat under control. he says that she's been having some problems with her depression. She endorses worsening symptoms of depression. She endorses feelings of sadness, hopelessness, and Helplessness.</p>
